Each virtue so that over time he was a better person in that regard, and by being a better overall person, he was more open to life's opportunities.

In the literature of the ancient Greeks, virtue and character were key themes. Aristotle's list of virtues includes:

- Virtue is a character trait.
- Virtue is the mean between two extremes.
- Virtue is a habitual tendency to act in a certain way.

Virtue ethics is a philosophy developed by Aristotle and other ancient Greeks. It is the quest to understand and live a life of moral character. This character-based approach to morality assumes that we acquire virtue through practice.

By practicing being honest, brave, just, courageous, kind, and loving, a person develops an honorable and moral character. Kindness and related virtues (love, compassion, consideration) is the core “social virtue.” It invites us to expand our sense of well-being and to include others as well. It gives us the ability to put ourselves in another person’s shoes, and feel what they feel as if it is happening to us, and if appropriate do something about it. Kindness. Honesty. Service.

Virtues are the essence of our character and when we keep the practice of virtues at the heart of our everyday life, we live with purpose. Virtue, by definition, is the moral excellence of a person. Morally excellent people have a character made-up of virtues valued as good. They are honest, respectful, courageous.

Catholic catechism, the seven Christian virtues refers to the union of two sets of virtues. The four cardinal virtues, from ancient Greek philosophy, are prudence, justice, temperance (or restraint), and courage (or fortitude). The three theological virtues, from the letters of St. Paul of Tarsus, are faith, hope, charity.

Trust exists in interpersonal relationships. Humans have a natural disposition to trust and to judge trustworthiness. This can be traced to the neurobiological structure and activity of a human brain. Some studies indicate that trust can be altered e.g. by the application of oxotocin. In a social context, trust has several connotations. Definitions of trust typically refer to situations Christ the King Catholic School aims at the individual's spiritual, moral, intellectual, social, cultural, and physical development in Dallas TX 75225The Highway Trust Fund is a transportation fund in the United States which receives money from a federal fuel tax of 18.4 cents per gallon on gasoline and 24.4 cents per gallon of diesel fuel and related excise taxes.
